

**Proposed Substitute  
Bill No. 6818**

LCO No. 5551

**AN ACT CONCERNING THE ESTABLISHMENT OF ELECTRONIC  
TOLLS WITHIN THE STATE.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1       Section 1. (NEW) (*Effective from passage*) (a) The Commissioner of  
2       Transportation shall develop a program for the establishment and  
3       commencement of tolls within the state. Such program shall include,  
4       but need not be limited to, revenue, capital cost, operating and  
5       maintenance cost, net revenue, schedule for implementation, pricing  
6       alternatives, net impacts on capacity, congestion and diversion to other  
7       roadways, impact on in-state and out-of-state vehicles, consideration  
8       of impacts to all highway users and institutional alternatives for  
9       administration of tolls.

10       (b) As part of the program developed pursuant to subsection (a) of  
11       this section, the commissioner shall (1) include consideration of  
12       safeguards to ensure that any moneys received from the operation of  
13       tolls are deposited in the Special Transportation Fund and used only  
14       for transportation purposes, and (2) identify potential state, interstate  
15       and federal legislative or administrative actions required to implement  
16       tolls.

17       (c) Not later than January 1, 2016, the commissioner shall report, in  
18       accordance with the provisions of section 11-4a of the general statutes,

19 to the joint standing committee of the General Assembly having  
20 cognizance of matters relating to transportation on the program  
21 developed pursuant to subsections (a) and (b) of this section.

This act shall take effect as follows and shall amend the following sections:
